

A man with a beard and mustache, wearing a black hooded rain suit, is crouching in the rain. He is smiling and looking towards the camera. He is holding a large yellow and white bag of FINJA mortar. The bag has the FINJA logo at the top, followed by 'Murbruk Exakt' and 'Murmørtel Exakt'. At the bottom of the bag, it says '25 kg'. The background is a construction site with scaffolding and a yellow and white van. The overall scene is dark and rainy, with water droplets visible in the air.
